

POLICY ON PRIVACY

Please see the Privacy Policy disclosures relating to the collection and use of your information. By using the Site, you are consenting to the processing of your data by Tritech Liquidity Software Solutions and consenting to our Privacy Policy.

USER INFORMATION

When using this Site, you agree to be responsible for providing accurate and complete information about yourself during registration (“Your Data”) and updating Your Data to keep it current. You are entirely responsible for maintaining the confidentiality of your password and account. Furthermore, you are entirely responsible for any and all activities that occur under your account. At our sole discretion, we may terminate the accounts or access rights of users who may have provided inaccurate or incomplete information during registration.

NO SECURITY OR NETWORK VIOLATIONS

You may not access or use the Software, Services, Materials or Site to violate the security or integrity of any network, computer or communications system, software application, or computing device. This includes, without limitation, attempting to obtain, or obtaining, unauthorized access to any of the foregoing, attempting to probe, scan, or test the vulnerability of a system or its security or authentication measures, interception of data or traffic, and forging TCP-IP packet headers, email headers, or any part of a message describing its origin or route. You may not access or use the Software, Services, Materials or Site to make or attempt to make network connections to any users, hosts, or networks unless you have permission to communicate with them. This includes, without limitation, monitoring or crawling of a system that impairs or disrupts the system being monitored or crawled, denial of service attacks, intentional interference with a system, including any deliberate attempt to overload a system by mail bombing, news bombing, broadcast attacks, or flooding techniques, operating network services like open proxies, open mail relays, or open recursive domain name servers and using manual or electronic means to avoid any use limitations placed on a system, such as access and storage restrictions. We may report any activity that we suspect violates any law or regulation to appropriate law enforcement officials, regulators, or other appropriate third parties. Our reporting may include disclosing confidential information to the extent we deem it necessary to comply with applicable law. We also may cooperate with applicable law enforcement agencies, regulators, or other appropriate third parties to help with the investigation and prosecution of illegal conduct by providing network and systems information related to alleged violations of these Terms.

USER COMMUNICATIONS

The Services may contain e-mail services, bulletin board services, chat areas, news groups and other forums designed to enable you to communicate with others (“Communication Services”).

You understand that by using this Site you may be exposed to content that is offensive, indecent, or objectionable. You agree to use the Communication Services only to post, send and receive messages and materials that are proper and, where applicable, related to the particular Communication Service. You will not use the Communication Service to distribute, publish, send, or facilitate offensive, indecent or objectionable content, or unsolicited mass e-mailings, promotions, advertising, or solicitations (like "spam"), including commercial advertising and informational announcements. We may, but are not obligated to, monitor or review these areas and the content of any such Communication Services. We will have no liability related to the content of any such Communication Services, whether or not arising under the laws of copyright, libel, privacy, obscenity, or otherwise. Any material posted to this Site that in the sole opinion of Trittech Liquidity Software Solutions violates community standards will be removed and the account of the poster may, at Trittech Liquidity Software Solutions discretion, be revoked or suspended. Any material that meets the standards described above might be edited by Trittech Liquidity Software Solutions solely for the purpose of clarity and length.

MATERIALS PROVIDED OR POSTED AT THE SITE

Trittech Liquidity Software Solutions does not claim ownership of the materials you may provide to Trittech Liquidity Software Solutions (including feedback and suggestions) or post, upload, input or submit to any Services or its associated services for review by the general public, or by the members of any public or private community, (each a "Submission" and collectively "Submissions"). However, by posting, uploading, inputting, providing or submitting ("Posting") your Submission you are granting Trittech Liquidity Software Solutions, its affiliated companies and necessary sublicensees a non-exclusive, royalty-free, worldwide license to use your Submission in connection with the operation of their businesses (including, without limitation, all Trittech Liquidity Software Solutions Services), including, without limitation, the license rights to: copy, distribute, transmit, publicly display, publicly perform, reproduce, edit, translate and reformat your Submission; to publish your name in connection with your Submission; and the right to sublicense such rights to any supplier of the Services. No compensation will be paid with respect to the use of your Submission, as provided herein. Trittech Liquidity Software Solutions is under no obligation to post or use any Submission you may provide and Trittech Liquidity Software Solutions may remove any Submission at any time in its sole discretion. By Posting a Submission you warrant and represent that you own or otherwise control all of the rights to your Submission as described in these Terms of Use including, without limitation, all the rights necessary for you to provide, post, upload, input or submit the Submissions. You further represent that the information you submit is not confidential.
